

SPIRIT LEVEL - STANDARD 3 AIR BUBBLES

PRODUCT FEATURES

A spirit level from the STANDARD series, made of a rectangular aluminum profile, additionally shaped. Shape of used profile ensures high durability of the product and allows for a firm grip. Milled bottom working surface, ensuring perfect contact of the product with the ground. The spirit level is equipped with 3 vials (90° / 0° / 45°) ensuring measurement accuracy of 1 mm/1 m. Equipped with special caps made of TPR material, absorbing the impact force when the level falls vertically from a height. Additionally, it has a measurement print that makes it much easier to mark points at the right distance. Powder coated body.
