DOUBLE-SIDED MEASURING TAPE WITH A MAGNET AND WIDE TAPE

PRODUCT FEATURES

High stiffness and special shape of the tape guarantee an extension of up to 60% of the tape length without support. Ergonomic case design, made of high-quality ABS plastic and TPE rubber. Auto lock function. Reinforced tape hook, equipped with very strong neodymium magnets. CE MID Certificate. Scale in accuracy class II. White tape. Double-sided scale print on the tape. Nylon tape coating for abrasion protection. Possibility to measure from the wall / back edge of the case. Equipped with a bumper that absorbs the impact of the tape during rewinding. A strong metal belt hook and a comfortable carabiner handle, especially helpful when working at heights. Anti-slip case.

| CODE | LENGTH [M] | TAPE [MM] | | |
|-------|------------|-----------|---|------|
| 20435 | 5 | 32 | x | 6/48 |
| 20438 | 8 | 32 | x | 6/36 |
