

PRODUCT FEATURES

Made from high-quality nylon. Round 1.3 and 1.6 mm strings used in trimmers (such as Tryton TOB650, TOB25301) to cut low grass and perfect the lawn. Round, star, and square 2 to 3 mm strings used in brush cutters (such as Tryton TOP252S, TOP431S) to cut high grass and weeds. The automatic Easy-Load string head (EATOP01) makes work with these strings much easier.
